JUDGE PRESIDENT'S PRACTICE DIRECTIVE 3 of 2019

Re: Implementation of the CaseLines System in the Gauteng Division of the High Court, Pretoria and Johannesburg

Introduction

The Gauteng Division of the High Court, Pretoria and Johannesburg is implementing a new digitized case management system. The system called CaseLines is part of the Office of the Chief Justice's E-Filing Court Modernization Project. The system enables litigants to file documents at court electronically and to present evidence in court hearings electronically.

Purpose of the Directive

The principle of this Directive is to give effect to the implementation of the CaseLines system from Term 4 of 2019, i.e. 07 October 2019. Enclosed with this Directive is a Quick Reference Guide to the CaseLines system which sets out guidelines to a user on the process of registration through to the hearing of a case.

Cases will effectively be registered on the CaseLines system whereafter the Parties to a case and who have successfully registered, will be invited by the Registrar of the Judge before whom a matter will be heard. The Party initiating litigation will then be required to upload his/her/it's case record and subsequent court documents. The Party opposing litigation will in return be required to upload his/her/it's case documents.

The Parties will also be able to invite other parties to access their case electronically.

Directive

This Directive refers cases that will be heard from 07 October 2019 and applies to the Gauteng Division of the High Court, Pretoria and Johannesburg.

- 1) Matters set down for 4th term that have been identified to be litigated/heard on CaseLines, are to include inter alia Opposed Motions, Special Motions, Divorces, civil and criminal Full Court Appeals (before 3 Judges), Rule 43, Summary Judgments and Applications for Leave to Appeal.
- 2) All Unopposed Motions, Civil Trials, Motion and Trial Interlocutory applications and civil and criminal Full Bench Appeals emanating from the Lower Courts (before 2 Judges) are presently excluded from hearing through CaseLines until further notice.
- 3) All parties to the cases referred to in paragraph 1 are directed to register on CaseLines.
- 4) In matters relating to an application for Leave to Appeal where the main action/application did not follow the CaseLines process, the Applicant shall notify the Registrar of the CaseLines system of his/her/it's intent to file an application for leave to appeal.
 - 4.1 The notification should include the case number, Parties details, the name of the Judge and the date of Judgement.
 - 4.2 The notification should be emailed to JHBCaselines@judiciary.org.za in respect of a Johannesburg matter and to PTACaselines@judiciary.org.za if it is a Pretoria case. The Registrar shall upon receipt of the notification register the matter on CaseLines. The Applicant shall then be obliged to upload the application for

leave to appeal and proof of service. The filing of a hard copy will not be accepted save for if done so by unrepresented parties.

- 5) The Parties are directed to scan and upload into the CaseLines system all the documents in accordance with the indices as soon as possible indices as soon as possible but no later than 5 court days of hearing date.
- 6) Parties are hereby notified that failure to comply with the above provisions will result in the forfeiture of the hearing dates.

This Directive becomes of effect on _____.

Sincerely,

D MLAMBO
JUDGE PRESIDENT OF THE GAUTENG DIVISION OF THE
HIGH COURT OF SOUTH AFRICA
