HIGH COURT OF SOUTH AFRICA

**NOTICE REGARDING IMPLEMENTATION OF THE JUDGE PRESIDENT'S
DIRECTIVES FOR THE UNOPPOSED MOTION COURT BEFORE JUDGE DS
FOURIE ON 13 October 2020**

1. The application shall be adjudicated "on paper only" (i.e. without an oral hearing) unless there is a written request for an oral hearing which must then be clearly set out in the practice note referred to herein below. **In such a case, the oral submissions must be summarised in the practice note to enable the Court to prepare properly.**
2. A complete practice note, stating the nature of the application for the date on which the application is on the roll, should be filed setting out at least the following:
 - 2.1 Was the matter previously postponed? If so, what was the reason for the postponement;
 - 2.2 If the papers consist of more than just the application concerned, (for instance, previous applications or pleadings not relevant to the application) the application must be properly identified by reference to the section and page number to avoid a search for it;
 - 2.3 The return of service relevant to the date of hearing must be identified by reference to the page number;

- 2.4 If service by the Sheriff was not necessary, the reason for that must be stated. The other form of service must then be identified by reference to the page number;
 - 2.5 If personal service is necessary, (for instance in sequestration applications) it must be stated and if this requirement was not complied with, reasons must be provided;
 - 2.6 Where certain practice or legal requirements have to be complied with (for instance in **Rule 46A applications**) compliance with **all those requirements** must be **clearly stated** and then **also identified** in the papers by reference to the page number(s) and par;
 - 2.7 If any Regulation (relating to Covid-19 or not) or Statute is applicable it **must be stated and compliance therewith be identified** in the papers by reference to the page number and par;
 - 2.8 If there is any problem with the application, it must be clearly **identified and disclosed**. If there is no problem it **must be stated that the papers are in order**;
 - 2.9 Name and contact details of counsel (tel nr and email address) must be stated.
3. If there is any other information to be considered by the court, it may also be stated in the practice note.
 4. **Failure to file a practice note in compliance with this Notice, dealing with each of the par referred to above separately and completely (i.e. par by par individually), to assist the court in considering the application properly, will result in the application being struck off the roll. If a particular par is not applicable, then it must be so indicated and not merely be ignored or omitted. This requirement will be strictly applied.**
 5. In all applications where heads of argument must be filed, a failure to do so will also result in the application being struck off the roll.
 6. A proper and complete **Draft Order (using MS Word enabling variation thereof)** must be filed for the court to consider.
 7. The practice note, Draft order and/or heads of argument (if applicable) must be filed by **no later than 12:00 on Monday 12 October 2020,**

failing which the application will be struck off the roll. Filing must be done by email to Me S Gillissen (sgillissen90@gmail.com) to ensure timeous receipt of the documents.

8. Filing of these documents must be done **simultaneously**, i.e. in one batch (not page by page in different attachments) to avoid an individual search for it on email, stating the number of the case on the roll as well as the name of parties in the subject heading.
